

How to access Visible Body

Select the module you require by **clicking on the image** on the Library website. If the link does not go to the module you selected but the Ovid page, then select Visible Body tab and then the module.

Enter your valid **OpenAthens login**

Click on **Launch**

Installing Unity Web Player

- Click on **Unity Web Player install now!** button
- Select **Run**
- Select **Agree** when screen appears with the License Agreement page
This will download the player onto your PC
- Click on **finish**
The App will launch.
